

## Classroom Rangers 2017-2018

Invite a park ranger to your school for free curriculum-based programs designed around your learning objectives.

### PROGRAM OFFERINGS

**In-Classroom:** One-hour long interactive lessons with small group hands-on activities, each limited to 35 students. Choose from the following topics:

- **Five Senses** (grades K-2): Students use their senses to connect to the natural world.
- **Build-A-National Park (grades 2-6): 2 hours long**, students learn about national parks and use art supplies to construct their own model of an imaginary park. Class provides art supplies.
- **Pioneer history** (grades 3-5): Artifacts, charades and games help students connect to Grand Canyon's history.
- **Archeology** (grades 3-5): Artifacts and games help students connect with Grand Canyon's ancient inhabitants.
- **Geology** (grades 3-7): Activities focus on the rock cycle, plate tectonics, and geologic time.
- **Ecology** (grades 3-7): Emphasizes adaptations, ecological principles and plant and animal interrelationships.
- **Astronomy** (grades 5-7): Kinesthetic activities help students to visualize relationships between celestial objects.
- **Town Meeting** (grades 6-8): Students become stakeholders in a discussion about this year's topic uranium mining.

**Assemblies:** One-hour long slideshow presentation for up to 300 students. Rangers require 30-45 minutes for set-up.

- **National Treasures in Your Backyard:** Focuses on the role and importance of National Parks.
- **Endangered Species:** Introduces endangered species and what parks are doing to help them.

### TO APPLY

We begin accepting applications May 3, 2017 at 7 am. Visit [www.nps.gov/grca/learn/education/](http://www.nps.gov/grca/learn/education/) and apply using the on-line application form.

To help make the most of every visit, we aim to conduct four or five in-class programs per school. Before applying, please collaborate with other teachers to help us reach as many students as we can at your school.
